

**ROSS COUNTY SCHOOLS
REQUEST FOR ACCELERATION SERVICES**

If you think that a particular student would benefit from accelerated services (early entrance to kindergarten, subject acceleration, grade acceleration or early high school graduation), please complete the information below and give/send this form to the principal of the school the student attends (or would attend if admitted early to kindergarten).

A team made up of the parent, principal, appropriate teacher(s) and the gifted coordinator will evaluate the student and then make a determination of whether the student is accelerated.
