SOUTHEASTERN

First Days Of School 2018

We hope that each one of you have had a great summer. Everyone has been busy preparing the school for opening day. We try to do everything to keep our facilities at the highest level so that each one of you will be proud of your school and its campus.

Each year brings back wonderful memories for all of us. A school setting is one of the most enjoyable times that a student can experience. Lifelong friends begin at school. We will do everything we can to make each student successful.

On the first day of school, all students will receive a packet that will include student handbooks, free/reduced breakfast and lunch applications, emergency medical forms, and other important information from your child's teacher. Please take the time to review this information and fill out all necessary paperwork to return back to school on the following day. If you should need help in filling out any of these forms, please feel free to contact us.

REGISTRATION FOR ALL STUDENTS WILL BEGIN THE WEEK OF AUGUST 6TH

Southeastern Local School District

Elementary School

Kindergarten registration will take place August 6th – 10th from 8:00 a.m. to 1:00 p.m. for incoming kindergarten students who have not registered yet. We currently have 70 kindergarten students enrolled for the 2018 – 2019 school year.

Elementary Open House will be on Thursday, August 16th from 4:00 – 7:00 p.m. Please park in the front parking lot and enter through the front doors. You may visit your child's classroom, meet his/her teachers, and tour the building during the Open House. Please bring your child with you so that parents and students can both visit and learn important information about our school, and also what you can expect from the upcoming school year. You may also bring your child's classroom supplies to Open House.

I look forward to another successful school year, and welcoming back our wonderful SE elementary students. I am very fortunate to have a dedicated staff that is supported by our parents and SE community.

Nicole Wills—Elementary Principal

Middle School

Southeastern Middle School has had another successful school year. Although testing accountability is always changing with decisions made by forces beyond local control, I am proud that our staff always hold our students to the highest educational standards. We will continue to strive towards excellence.

I look forward to working and becoming reacquainted with all students in grades 6-8, as well as meeting all incoming fifth grade students. We will have an open house for all students and parents on August 16th, 2018 from 4:00-7:00 p.m. This will be especially beneficial for 5th grade students as they will learn about changes that take place from the Elementary to Middle School. All students and parents are welcome to attend.

I am very thankful for the experienced and dedicated staff in the Middle School as well as the parents with high expectations for their students. Together we can carry on the tradition of excellence from elementary through graduation. If at any time you

High School

Southeastern High School continues to make progress on students taking their end of course exams in English, Science, Math, and Social Studies. The Ohio Department of Education requires students to earn a cumulative passing score of 18 points on these seven end of course exams. Southeastern High School also requires that all students earn a minimum of 22 credits in order to receive their high school diploma. More information may be found on the Ohio Department of Education website or feel free to contact Southeastern High School Guidance Counselor, John Evans.

I look forward to meeting everyone at the open house scheduled for August 16, 2018. There will be a freshman orientation meeting at 5:00 p.m. in the cafetorium that evening. Schedules for all students will be available at the open house as we prepare for students to return to classes on Monday, August 20. I am excited to welcome parents, teachers, and students back to the start of the school year. We will continue to ensure that all students are ready for success in college and work upon receiving their high school diploma from Southeastern High School.

Leonard Steyer—High School Principal
